

# POLISH LOWLAND SHEEPDOG LEGENDS & HEROES

UNFORGETTABLE, BELOVED PONs WHO HAVE BLESSED OUR LIVES, PAST AND PRESENT

---

The 2010 Specialty Committee is producing a DVD of our beloved "Legends & Heroes" from photos and stories submitted. The completed project will be displayed as a slide show at the Hospitality Room of the 2010 National Specialty in Ohio and will be available for sale to benefit future specialty events and APONC charities.

We'd like to invite you to participate in our production by submitting your favorite photos of that special PON— show photos, fun photos, character shots, action pictures, and more! Send us your most memorable photos of your PONs

We also plan to include the chronological history of the PON in the U.S.; from early PONs who are the original foundation of the breed we all know and love today, to PONs who have great accomplishments whether conformation, agility, or other discipline; and of course, those true "Legends & Heroes" who are our beloved pets.

This is an exciting opportunity to be a part of PON history, so don't be left out! Hurry and get those pictures and stories in to be a part of this production.
